VISION & MISSION

VISION

Nothing is impossible, when we stand united.

MISSION

- To inculcate and develop a desire for higher education especially among the girl students from rural area.
- We aim at all round development of the students including intellectual, rural, physical and cultural development by providing them due opportunities.
- To facilitate value based education in the realm of higher education.
- To bring out the best in students through academic and extracurricular activities and shape their personalities to make them instrumental for growth of healthy society.
- Quality in education has no option for us. We strive to impact maintain and enhance it through every means at our disposal.
- To set in motion the forces that shape students intrinsic abilities so as to make them responsible and respective citizen.
- To empower stakeholders by exploring their hidden potential.
- To foster independent thinking in students by offering academic atmosphere congenial for metamorphosis of a novice into seer and sage.
